

## Education

---

**Ringling College of Art and Design** Sarasota, Florida  
Bachelor of Fine Arts, Motion Design Class of 2019  
Recipient of Presidential Scholarship

## Animation Production Experience

---

**Freelance Animator and Designer, HelloJelloShip - August 2020 - Present** Princeton, New Jersey

Operating an independent animation business:

- Interface directly with clients to bring their animated project through all stages of production
- Foster clear communication throughout the process and deliver on all set deadlines
- Collaborate with fellow animators and artists remotely for larger-scale projects

**Clients include:** Netflix, Tongal, Moonshine Media Group, Prophet

## Motion Design Experience

---

**Junior Designer, Zealot - June 2019 - July 2020** Los Angeles, California

As a designer and animator at a movie trailer house:

- Designed and animated internal cards and main titles for movie trailers, as well as TV and digital spots
- Worked efficiently to keep up with rapid turnaround rate, while always maintaining high bar for quality
- Organized project files to simplify collaboration between graphics artists, both in the local LA office as well as in the NYC office

**Design Intern, Greenhaus GFX - June 2018 - August 2018** Los Angeles, California

In an internship as a motion designer:

- Assembled style frames of various mediums (CG, graphic design, digital compositing) for pitching
- Delivered typography layouts, rotoscoped and composited footage, and animated motion graphics for title sequences, trailers, and advertisement spots
- Conceptualized design directions that were chosen by the client and further developed for the final product
